

WHATEVER YOUR DESTINATION, WE'LL GET YOU THERE, SAFELY, QUICKLY AND COMFORTABLY.

Everts Air charter service allows passengers to enjoy customized travel and in-flight amenities without the challenges of standard check-in and security lines. It is perfect for business travel, group meetings, and competitive team travel.

Here at Everts we operate on your schedule, giving you the flexibility and latitude in organizing your travels.

Everts Air Cargo's EMB-120 is FAA Part 121 certificated, meaning it is operated under the same stringent safety regulations as major carriers. For the travelling public, that means that the crew is highly trained and professional, and the planes are well-maintained and safe.
